ADINA LUNDY, EdD

ACADEMIC PROGRAM DIRECTOR | FACULTY LEADER | PSYCHOLOGY & HIGHER EDUCATION SCHOLAR

University of Rhode Island | 142 Flagg Road, 303 Chafee, Kingston, RI 02881 | A_Lundy@Uri.edu | DinaLundy.com

EXECUTIVE PROFILE

Academic program director, faculty member, higher education leader, and psychology scholar with experience spanning academic program management, curriculum leadership, course development, faculty affairs, academic affairs, student advising, student success coaching, online and blended learning, strategic planning, institutional data analysis, and interdisciplinary scholarship. Brings a collaborative, mission-centered leadership approach grounded in sound judgment, policy interpretation, clear communication, research and report writing, and continuous improvement. Experienced in leading undergraduate psychology programming, teaching across psychology and education leadership domains, mentoring students, supporting faculty, and partnering across university functions to strengthen academic quality, retention, degree progress, and student success.

EDUCATION

Doctor of Education (EdD), Higher Education Leadership	**University of Hartford, Hartford, CT** *Dissertation: "An Examination of Education Advocates for Foster Youth Regarding Foster Parents' Social Capital as Related to College Access."*
Master of Arts (M.A.), Psychology	**Harvard University, Cambridge, MA** *Master's thesis: "The Community Change Project: An Early Intervention for Getting the Foster Child Through College."*
Bachelor of Arts (B.A.), Political Science and Government	**St. John's University, New York, NY**

LEADERSHIP & ACADEMIC COMPETENCY PROFILE

STRATEGIC VISION, INNOVATION & CHANGE

Academic program development; strategic planning; mission and vision alignment; curriculum renewal; online and blended learning design; policy and process improvement; agility in changing academic environments.

PEOPLE, FACULTY & TEAM LEADERSHIP

Faculty affairs; team building and collaboration; mentoring and advising faculty/staff; constructive problem solving; inclusive leadership; clear written and verbal communication; independent judgment and accountability.

RESULTS, ACCOUNTABILITY & STUDENT SUCCESS

Student success coaching; academic and career advising; goal setting; learning strategy development; at-risk student identification; retention and enrollment analysis; assessment of program effectiveness; graduation-focused interventions.

PROGRAM, RESOURCE & INFORMATION STEWARDSHIP

Program administration; effective use of resources; institutional data analysis; research and report writing; policy, procedure, contract and regulatory interpretation; course and curriculum assessment; Canvas LMS and digital learning operations.

PARTNERSHIPS & INSTITUTIONAL ENGAGEMENT

Cross-functional collaboration with academic deans, registrar, admissions, career services and student support units; engagement with faculty, staff, administrators, students and alumni; interdisciplinary research; community outreach and professional associations.

PROFESSIONAL EXPERIENCE

Program Director & Faculty Member - Psychology **2021-Present**
University of Rhode Island - Kingston / North
Kingstown, RI

Leadership and faculty appointments:

- Director, Program in Undergraduate Psychology & Assistant Teaching Professor | Jan 2024-May 2026
- Co-Director, Program in Undergraduate Psychology & Assistant Teaching Professor | Aug-Dec 2023
- Teaching Professor | Jun 2021-Present

Academic Program Leadership, Strategic Planning & Administration

- Provided leadership and oversight for undergraduate psychology program development, strategic planning, academic operations, and continuous improvement in alignment with school, college, and university mission and priorities.
- Reviewed applicable policies and procedures, researched academic and operational issues, analyzed institutional data, prepared reports, and developed recommendations to strengthen program processes, quality, and student outcomes.
- Planned, directed, administered, implemented, and monitored academic policies and programs; exercised independent judgment, sound decision-making, attention to detail, and strong organizational discipline in areas of responsibility.
- Managed program resources and priorities with an emphasis on responsible stewardship, transparency, collaboration, and effective execution.
- Led planning, development, implementation, and monitoring of online and blended learning initiatives and supported program-level use of digital learning technologies.

Curriculum Management, Course Development & Teaching Excellence

- Led and contributed to curriculum development, course review, program assessment, and academic course enhancement to maintain alignment with program goals, disciplinary standards, student learning outcomes, and current research.
- Developed and delivered lectures, seminars, and coursework across psychology, organizational leadership, education leadership, and higher education administration in onsite, online, and hybrid formats using the Canvas Learning Management System.
- Maintained an active and supportive instructional presence, responded to student inquiries within 24-48 hours, held office hours for consultation, provided timely constructive feedback, and submitted grades in accordance with academic deadlines.
- Evaluated student learning through examinations, papers, presentations, reflective assignments, and collaborative learning activities; refreshed course materials to incorporate current research, trends, and inclusive pedagogical practices.
- Collaborated with faculty colleagues to review, refine, and enhance course content, instructional approaches, and assessment practices in alignment with program goals and academic standards.

Faculty Affairs, Academic Affairs & Collaborative Leadership

- Supported faculty affairs and academic affairs through faculty consultation, course coordination, mentoring, policy interpretation, committee service, program planning, and collaborative problem solving.
- Monitored and advised faculty and staff within program responsibilities, emphasizing team building, communication, shared accountability, and constructive resolution of academic and operational issues.
- Interacted effectively with diverse university constituencies, including faculty, staff, administrators, students, and alumni, while building productive relationships across academic and administrative units.
- Partnered with academic deans, the registrar, admissions, career services, and student support functions to align degree planning, student progression, and institutional resources that support timely completion.

Student Success Coaching, Advising & Retention

- Shaped and supported advising and student-success frameworks designed to strengthen academic persistence, belonging, self-efficacy, degree progress, and graduation outcomes.
- Delivered personalized, collaborative student success coaching focused on goal setting, time management, learning strategies, self-advocacy, resilience, note-taking, exam preparation, and actionable academic planning.

- Connected students with tutoring, disability services, advising, and other campus resources; identified students at academic risk and referred them to appropriate institutional support services.
- Tracked retention, enrollment patterns, student progression, and program effectiveness using institutional data to identify trends, guide interventions, and inform program improvement.
- Advised students on academic and career matters and mentored learners at undergraduate and graduate levels, including supervision and support of student research projects.

Scholarship, Research Mentoring & Academic Service

- Conducted and published original interdisciplinary research in psychology, education, organizational behavior, equity, foster care, and related areas; collaborated with colleagues on interdisciplinary research projects.
- Supervised and mentored undergraduate and graduate student research; served on dissertation committees; participated in curriculum, assessment, and academic or administrative committee work.
- Presented scholarly work at academic and professional conferences and engaged in community outreach and professional associations.

CERTIFICATION

2025 - Massachusetts Department of Elementary and Secondary Education: Administrator, Assistant Superintendent, Superintendent | All Levels, Provisional

RESEARCH INTERESTS

Research examines how systemic inequities shape educational, psychological, and life outcomes for marginalized populations, particularly children raised in poverty and foster care. Informed by Pierre Bourdieu's theories of social and cultural capital, this agenda uses phenomenological and mixed-methods approaches to study K-12 educational equity, college access, persistence, degree completion, structural inequality, racial injustice, institutional practice, belonging, and socioeconomic mobility, with the aim of informing policies and practices that advance educational equity and social justice.

DISSERTATION COMMITTEE APPOINTMENTS

- Mardoche Telusma, "Finding Black Joy" - Proposal Defense, April 2025
- Danira Vasquez, "You Belong at the Table" - Proposal Defense, May 2026
- Tara Mollo, "Restorative Practices in Action" - Proposal Defense, June 2026

CONFERENCE PRESENTATIONS

- "The Money is There but Services Fail to Meet and Serve the Foster Child," New England Educational Research Organization (NEERO) Conference, Trumbull, CT, 2021.
- "An Examination of the Educational Trajectory of Foster Care Survivors," New Jersey Children in Court and Race Equity Education Conference, Newark, NJ, 2024.
- "Hope From the Edge," TEDx URI, A Recipe for Hope in the Spirit of Ideas Worth Spreading, Kingston, RI, 2022.
